

KAKATIYA MEDICAL COLLEGE

Presents

KR&TI 2.0

Kakatiya Research Initiative for
Transformative Innovations

25TH-26TH
OCT 2024

In collaboration with

USA NRI ALUMNI

GREETINGS!

KMC has some excellent news to share! In light of the considerable enthusiasm and growing interest surrounding our research initiatives, it has been decided to extend this year's Annual Research Day into a two-day event. Kakatiya Research Day has undergone a transformation and emerged as KRITI.

KRITI promises to be an insightful gathering where innovative research findings, breakthroughs, and advancements in various fields of medicine will be showcased. Based on the theme "Exploring New Frontiers in Medical Research", KRITI serves as a platform to foster collaboration, exchange ideas, and celebrate the impactful research endeavors undertaken by our esteemed faculty, researchers, and students. It is an opportunity to delve into emerging trends, methodologies, and findings that contribute significantly to the advancement of medical science.

We eagerly anticipate your participation in this intellectually stimulating event. Together, let us explore, innovate, and advance the frontiers of medical research for the betterment of healthcare globally.

ABOUT US

Nestled in the heart of Warangal, Telangana, Kakatiya Medical College stands tall as a beacon of excellence in medical education. Established in 1959, Kakatiya Medical College has played a pivotal role in shaping the healthcare landscape of the region.

Its alumni have made significant contributions to the field of medicine both nationally and internationally, earning accolades and recognition for their expertise.

Whether it's through groundbreaking research, community outreach initiatives, or clinical experiences, our college empowers us to become leaders and change-makers in the ever-evolving field of medicine.

At KMC, we are more than just students and faculty; we are a family bound by a shared passion for healing and service. Together, we celebrate each other's successes, support each other through challenges, and inspire each other to reach greater heights.

ABOUT WARANGAL

Located in Telangana, Warangal is a city that beautifully juxtaposes the ancient and the contemporary. With roots tracing back to the Kakatiya dynasty in the 12th century, it is a treasure trove of history, culture, and architectural brilliance.

The city, once the capital of the Kakatiya kingdom, boasts remarkable historical sites like the Warangal Fort and the Thousand Pillar Temple, showcasing exquisite Kakatiya architecture.

Today, Warangal is a bustling urban center with thriving markets, educational institutions and a growing IT sector. Warangal's unique blend of the ancient and the contemporary creates a captivating experience for all who visit it.

EVENTS SCHEDULE

DAY 1 : 25.10.24

VENUE: NRI Alumni Block

Working
Lunch

Jeopardy

9.30 AM to 12.30 PM

Debate

13.30 PM to 15.30 PM

Guest Lecture-1

15.30 PM to 16.15 PM

Hackathon

16.45 PM to 18.15 PM

MedEx event is held in the post-Lunch session on 25th and 26th October 2024

EVENTS SCHEDULE

DAY 2 : 26.10.24

VENUE: NRI Alumini Block

Inauguration
Ceremony

11.45 AM to 12.45 PM

Paper Presentation
Poster Presentation

09.00 AM to 11.30 AM

Working
Lunch

Guest Lecture-2

14.00 PM to 14.45 PM

Symposium

15.30 PM to 17.30 PM

MedEx event is held in the post-Lunch session on 25th and 26th October 2024

PODIUM PAPER PRESENTATION

Participants present their research findings and studies on various medical topics. Each presentation is followed by a Q&A session, allowing for a deeper discussion and analysis of the research presented.

From Theory to Reality:
Present your paper, Inspire Change

WINNER = RS.15,000

RUNNER-UP = RS.10,000

RULES

- Team should comprise of a maximum of 2 members , one delegate is allowed to present the paper , questions can be answered by either team members .
- Delegates are expected to send the abstracts (not more than 300 words) before 15th of september in the form of word document (.doc or.docx).
- All abstracts will be screened.
- Presentation is expected to be in the form of power point presentation (.ppt or .pptx file) not exceeding 18 slides that is to be submitted by 16th of October.
- Each presenter will be given a total of 6 minutes ~4 minutes for presenting the case and 2 minutes for answering the questions from judges and audience.

POSTER PRESENTATION

Visual representations of research projects are displayed on posters, providing a concise overview of the findings. Attendees can engage with presenters to learn more about their research through interactive discussions.

Poster Perfect: Present Your
Research in Full Colour!

WINNER = RS.15,000

RUNNER-UP = RS.10,000

RULES

- Team should comprise of a maximum of 2 members(1 delegate for presentation, questions can be answered by either.
- Only digital poster in print , maximum size of 4ft* 3 ft will be accepted.
- only e- posters in landscape orientation with a resolution of 1920*1080 pixels will be accepted.
- Abstracts to be sent via email by 15th of September following which finalists will be announced by 2nd of October.
- Finalists will be allotted a total of 5 minutes (3 minutes to present and 2 minutes for questions by the jury.

DEBATE

Participants engage in lively debates on contemporary medical topics, presenting arguments and counterarguments in a structured format.

Debate the Issues, Defend Your Stance:
Challenge Accepted?

WINNER = RS.15,000

RUNNER-UP = RS.10,000

RULES

- The event is to be conducted in two parts - prelims and finals.
- Participants will be segregated into affirmatives and negatives debates on random basis.

PRELIMS

- Motion for prelims will be released on 8th of September.
- Participants to be participating as a team with one affirmative and one negative debater.
- Videos of delegates to be send via email. 2 minutes will be given to each delegate.
- Finalists will be announced on 2nd October.

FINALS

- Topic will be given 1 day before finals.
- Each team will consists of 1 affirmative and 1 negative debater.
- Speaker will be given 3 minutes to speak, followed by 1 minute of rebuttal. 30 seconds for cross questioning if necessary.

SYMPOSIUM

The symposium brings together experts and professionals from various fields of medicine for in-depth discussions and presentations.

Gather, Discuss, Inspire: Symposium
– Where Knowledge Flourishes

WINNERS = RS.25,000

1st RUNNER UP = RS.15,000

2nd RUNNER UP = RS.10,000

RULES

- It is a team event comprising of a minimum of 6 people and maximum of 12 people (comprising of 4 – 6 speakers and atleast 1 techie)
- Teams to be selected based on reviewing of the abstracts. Screening of abstracts will replace the prelims.
- Each team should select a medically relevant research topic and complete literature review, study design, data collection and analysis
- The abstracts should comprise of a maximum of 1500 words (from title to references) before 9 am ,15th September. Selected abstracts will be revealed on 30th September.
- Each team must prepare an audiovisual presentation of their research together with script for the speakers who will be given a total of 15 minutes (10 minutes for the presentation, 5 minutes for the Q and A round).
- Rules regarding the content of the. Abstracts, criteria for the abstract.Screening will be conveyed to the. Participants in detail later.

HACKATHON

The hackathon is a collaborative event where participants work in teams to develop innovative solutions to specific medical challenges within a limited time frame.

Invent the Future: Hackathon –
Where Ideas Transform into Reality

WINNERS = RS.15,000

1st RUNNER UP = RS.10,000

2nd RUNNER UP = RS.5,000

RULES

- Delegates participate in teams of 3 – 5 members
- A health problem statement will be released on 25th August to which the teams are required to come up with solutions.
- Solutions to be sent in the form of an abstract with no more than 500 words before 15th of September.
- Top 5 finalists to be declared on 2nd October 2024 following which they are required to present their solutions in AV format (mp4 or. Pptx) on the day of the event.
- Presentation will be for no longer than 6 minutes that will be followed by 3 minutes of Q and A round.

MED-EX

The medical exhibition is a vibrant hub of activity, featuring a variety of small games, workshops, and interactive displays. From hands-on demonstrations of medical procedures to informative sessions on healthcare innovations, attendees can immerse themselves in a diverse range of educational experiences.

Where Science Meets
Healing: Exploring
Innovations in Medicine

WINNERS : RS.15,000

1st RUNNER UP : RS.10,000

2nd RUNNER UP : RS.5,000

RULES

Only open to KMC Students.

- Students will participate in teams of 3 delegates. (1 delegate will be allowed to present the model while all 3 delegates can participate in Q and A round)
- A total of 10 teams will be selected to Present their models. Selection to be done based on their abstracts.
- Stalls will be provided in which models can be placed.
- Students will have to submit abstracts enlisting working principle of the model, therapeutic importance and materials used.
- Students will be given 4 minutes to Present followed by a 2 minutes Q and A round.

MARROW JEOPARDY

Modeled after the popular game show,
Jeopardy challenges participants'
knowledge of medical trivia across
various categories.

Jeopardy: Unleash Your
Inner Genius

**Prizes worth above
Rs.1,00,000**

RULES

- Jeopardy will be conducted in three rounds:
Preliminary Round
Rapid Fire Round
Final Round
- Participants can register in one of the following categories:
 - Preclinical: 1st and 2nd years
 - Paraclinical: 2nd and 3rd years
 - Clinical: Final years and interns
- Preliminary Round
 - Conducted using a Google-based question format.
 - Each participant can submit only one form in their chosen category.
- Rapid Fire Round
 - Conducted online via a one-on-one Zoom call.
 - Participants must answer a set number of questions within the given time.
- Final Round:
 - Held offline on the day of the event.
 - Consists of three segments: Jeopardy, Double Jeopardy, and Final Jeopardy
